

AI VOICE VOICEATHON 2026

RULES & GUIDELINES FOR PARTICIPANTS

1. Team Structure: Teams can consist of 1 to 4 members. Solo entries are welcome.
2. Build Scope: Projects must focus on conversational voice intelligence or APIs.
3. Platforms: You may use Vobiz APIs, ElevenLabs, OpenAI, Whisper, or others.
4. Submission: Source code and video demos must be submitted by Sep 05, 2026.
5. Evaluation: Judged on latency (sub-100ms), utility, complexity, and design.

Good luck, innovators!
